## Non-GAAP Financial Measures

This press release includes financial measures for earnings and earnings per share that exclude certain items and therefore are not in accordance with U.S. generally accepted accounting principles (GAAP). A detailed reconciliation between the GAAP results and results excluding special items (non-GAAP) is included at the end of this press release. By disclosing this non-GAAP information, management intends to provide investors with additional information to further analyze the Company's performance and underlying trends. Management utilizes a measure of net income and earnings per share on a non-GAAP basis that excludes certain items to better assess operating performance and to help investors compare our results with our previous guidance. The non-GAAP information included in this press release is not necessarily comparable to non-GAAP information of other companies. Non-GAAP information should not be viewed as a substitute for, or superior to, net income or other data prepared in accordance with GAAP as measures of our profitability or liquidity. Users of this financial information should consider the types of events and transactions for which adjustments have been made.

## Forward-Looking Statements

This press release contains certain forward-looking statements within the scope of the Securities Act of 1933 and the Securities Exchange Act of 1934. The words "expect," "estimate," "anticipate," "predict," and similar expressions, and the negatives of such expressions, are intended to identify forward-looking statements. Our forward-looking statements may be deemed to include, among other things, the statement "our strategy is delivering results and we expect to continue to expand margins and drive additional improvements throughout the year", our sales and diluted earnings per share (excluding special items) guidance for the second quarter of 2014, as well as other statements, express or implied, concerning: future operating results or the ability to generate sales, income or cash flow; and Benchmark's business and growth strategies, including expected internal growth and performance goals. Although Benchmark believes that these statements are based upon reasonable assumptions, such statements involve risks, uncertainties and assumptions. Should one

or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those indicated.

All forward-looking statements included in this release are based upon information available to Benchmark as of the date of this release, and Benchmark assumes no obligation to update any such forward-looking statements. Readers are advised to consult further disclosures on related subjects in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, in its other filings with the Securities and Exchange Commission and in its press releases.
